

ANDREW HILL
PROJECT PLANNER

Professional Experience

Design, Community & Environment, Berkeley, California. Project Planner. 2009 to present. Responsible for research and report writing for land use, environmental review and transportation projects.

Urban Ecology Center, Montreal, Canada. Research Associate. 2009. Co-authored a guide for green neighborhood planning and design, documenting global best practices and policies for sustainable urban development and “ecomobility.” Identified project sponsors and secured funding for publication of the guide.

CirclePoint, San Francisco, California. Assistant Environmental Planner. 2008. Prepared CEQA/NEPA documentation, incorporating consultant input. Wrote Initial Studies/Mitigated Negative Declarations for developments. Researched and reported on carbon footprinting software tools, creating a prioritized list for clients seeking to measure and reduce greenhouse gas (GHG) emissions. Coordinated logistics for public meetings and processed comments for San Francisco Municipal Transportation Agency (MUNI) *Transit Effectiveness Project* and San Francisco County Transportation Authority (SFCTA) *Congestion Pricing Study*. Developed a strategy for greening Circle-Point business activities adopted by board of directors.

Education

Master of Urban Planning, *McGill University, Montreal, Canada.*

Bachelor of Arts, *History and English Literature, University of Western Ontario, Canada.*

Honors and Awards

Winner, **Carolyn & Richard Renaud Bursary**, McGill University, 2009.

Winner, **Clear Vistas Design Competition**, 2008.

Volunteer Activities

Co-Organizer, National Conference, Canadian Association of Planning Students (CAPS), Montreal 2009.
