

BRUCE BRUBAKER
SENIOR ASSOCIATE

Professional Experience

Design, Community & Environment, Berkeley, California. Senior Associate. 2005 through present. Responsible for management of a diverse range of urban design projects. Project Manager of the *Santa Rosa Station Area Specific Plan* for the City of Santa Rosa, the *Integrated Site Development Plan* for the City of Petaluma, the *Downtown Infill Development Study* for the City of Lafayette, and the *Marinwood Shopping Center Master Plan* for Marin County.

Yellow Studio Sustainable Design, Point Richmond, California. Founding Principal. 2001 through 2005. Responsible for all aspects of management, including design, document production, permitting and construction coordination, on residential and light commercial architectural projects. Promoted sustainable design strategies, including energy efficiency, resource conservation and use of healthy building materials.

Counter\Production Recycled Glass Products, Berkeley, California. Founding Partner and Manager. 1998 through 2002. Managed all aspects of business including product development, manufacturing and installation of vetrazzo solid surfaces for countertops and tabletops. Vetrazzo contains more than 80% recycled material and has been used in residential, commercial and institutional projects throughout the United States and has been featured in magazines such as *Dwell*, *Sunset*, *Natural Home*, and *House Beautiful*.

Lyndon/Buchanan Associates, Berkeley, California. Associate. 1990 through 1998. Project Architect and Project Manager for all phases of architectural and urban design projects, including the *Menlo Park Downtown Urban Design Plan*, streetscape and building projects for the Bayer Biotechnology Campus in Berkeley, the Nolo Press Building and the Sea Ranch Village (with Charles Moore and Lawrence Halprin). Responsibilities included production of concept proposals, client presentations, public workshops, schematic design, design development, construction documents and construction coordination.

East Bay Habitat for Humanity, Oakland, California. Project Architect. 1991 through 1995. Responsible for design, construction documents, client coordination, permitting and construction services for Spencer Court, an eight home development in Richmond, California.

Spencer Hall / Beverly Willis Architects, San Francisco, California. Project Manager. 1988 through 1991. Responsible for production aspects of architectural projects, including schematic design, design development and construction documents on residential and mixed-use projects.
